Hello Members and Friends,

It's been a long cold winter and spring. Hopefully summer has arrived and we will be able to get out and about. I hope you all have had your COVID jab. It will be good to meet up in the church and sing praises to God for taking us through this awful pandemic.

Knitting Group

We would like to wish Freda Arkle a Happy 90th Birthday from all her friends at the knitting group

Also Happy 50th birthday to Eileen Crockit

Another batch ready to send to Uganda

Christians are gathering all over the planet,
There are other religions that pray there own way.
The Cowboys are all riding tall in the saddle,
They shoot from the heart with the songs that they play.

We've been hit by a virus the damned thing that's called covid,
Killed thousands of folk, now our air is impure,
With Gods help the scientists are all working like crazy,
When they finish their work they'll have found us a cure.

Christians are just ordinary, average people,
So is the Muslim and Black man and Jew,
We love this old world and we don't want to lose it,
We're counting on me and we're counting on you.

The World will breathe easy when we stop the bleeding,
The fighting will end when all hunger is gone.
There are those who are blind, so we all have to lead them,
It's everyone's job till we get the work done.

We are the Christians, the true sons of freedom,
We are the folks who will get the job done,
We're picking our words so we don't have to eat them,
We're rounding up folks and we're leading them home.

Fred Stuart
